September 7, 2012

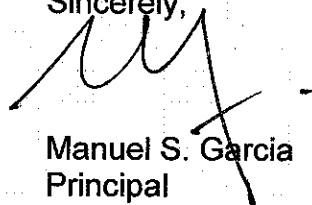

Dear Parents/Guardians:

Please be advised of the following rules and guidelines that will be enforced during the arrival and dismissal of students, guests, and staff of G. Holmes Braddock Senior High School for the 2012-2013 school year.

- Please do not allow your child to enter/exit the vehicle from any of the left hand lanes of travel. This is extremely dangerous because of on-coming traffic. Additionally, it disrupts the flow of traffic.
- Only the right hand lanes, the short-term parking area in front of the school, and the school's driveway / round-about will be used for pick up and drop-off.
- When using the school's driveway / round-about, please make sure to pull your vehicle all the way forward in order to allow more vehicles to enter behind you.
- All traffic signs and laws will be enforced unless otherwise advised by a police officer directing traffic.
- Please have your child cross the street either at the pedestrian crosswalk or under the direction of a Police Officer.

At G. Holmes Braddock Senior High School we will continue to do everything we can to ensure a safe learning environment for all that come onto our campus. Thank you for your support and cooperation in this matter.

Sincerely,

Manuel S. Garcia
Principal
